

FULL TIME / ASSLAR

CNC Turner/Miller (m/f/n)

BUDERUS Schleiftechnik GmbH is an internationally active mechanical engineering company in Aßlar in central Hesse. We are a member of the DVS TECHNOLOGY GROUP and one of the leading suppliers of precision machines for hard-fine machining of rotationally symmetrical components. We are one of the leading suppliers of precision machines for internal cylindrical grinding, external cylindrical grinding and thread grinding, as well as for the combination of these grinding technologies with hard turning. Our customers have been appreciating our products and the professionalism and know-how of our employees since 1949.

Your tasks, among others:

- + Independently set up, load and operate multi-axis machining centres
- + Checking workpieces according to drawing and quality
- + Machine care and maintenance
- + Documentation preparation
- + Active participation in the continuous improvement of processes in production

Your profile:

- + Successfully completed training in metalworking, e.g. as a cutting machine operator, CNC turner, CNC miller or similar
- + CNC knowledge and experience with different controls (preferably Siemens and Heidenhain)
- + Ability to communicate and work in a team
- + Independent and goal-oriented work style
- + High sense of quality and responsibility
- + Willingness to work in shifts
