

FULL TIME / KRAUTHAUSEN

Employee Order Management (m/f/n)

At the Krauthausen site in Thuringia, DVS Production manufactures sophisticated components for the passenger car powertrain. As part of the DVS TECHNOLOGY GROUP, we cover the entire process chain of soft and hard machining by applying the most modern technologies and the latest machines in the fields of turning, gear cutting, grinding and honing. Our renowned national and international customers appreciate us for our advanced production infrastructure as well as for the reliability and know-how of our more than 250 employees.

Your tasks, among others:

- + Disposition of the entire material flow chain from inspections to the preparation of documents and accompanying papers including customs clearance
- + Checking of call-off schedules and inventory booking of raw materials and finished parts
- + Production planning and monitoring as well as machine allocation planning
- + Monitoring of stock levels
- + Planning and coordination of sample parts
- + Correspondence with customers, suppliers and internal interfaces
- + Managing evaluations and statistics

Your profile:

- + Technical/commercial training and strong technical understanding
- + Industry experience is an advantage
- + Knowledge of the merchandise management of technical products
- + Confident, goal-oriented cooperation with customers and internal managers
- + Good communication skills and responsible thinking and acting
- + Good knowledge of German and English

We offer:

- + Provision of workwear
- + Opportunities for further training
- + Company pension scheme after the probationary period
- + 30 days holiday & shift allowances
- + Mobile phone, laptop, etc. depending on workplace
- + Fuel vouchers for overtime
