

FULL TIME / KRAUTHAUSEN

Maintenance employee (m/f/n)

At the Krauthausen site in Thuringia, DVS Production manufactures sophisticated components for the passenger car powertrain. As part of the DVS TECHNOLOGY GROUP, we cover the entire process chain of soft and hard machining by applying the most modern technologies and the latest machines in the fields of turning, gear cutting, grinding and honing. Our renowned national and international customers appreciate us for our advanced production infrastructure as well as for the reliability and know-how of our more than 250 employees.

Your tasks:

- + Supervision of our machinery to ensure a smooth production process
- + Inspection, maintenance, repair, modification and adaptation of equipment
- + Error analysis and troubleshooting
- + Carrying out repairs, conversions and maintenance work on building service installations
- + Documentation of the work carried out and optimisation of the maintenance processes

Your profile:

- + Vocational training in electrical engineering, mechatronics, industrial mechanics, mechanical engineering or similar
- + Sound knowledge of mechanics, electronics, hydraulics and pneumatics or relevant professional experience
- + Ideally basic IT knowledge, especially MS Office
- + Technical understanding, quality awareness, reliability and practical skills
- + High level of commitment, ability to work in a team and flexibility
- + Good written and spoken German
- + Willingness to work shifts
