

FULL TIME / KÜRNBACH

## Service & Maintenance (m/f/n)

DVS Production South GmbH is an internationally active manufacturing company based in Kürnbach, Baden. As part of the DVS TECHNOLOGY GROUP, we are one of the most competent providers of classic contract manufacturing in Germany. Our core competence is the machining of precision components for all industrial applications. Thanks to our innovative production, based on Industry 4.0, we manufacture, for example, truck wheel hubs highly efficiently and almost fully automatically.

### Your tasks, among others:

- + Inspection, service, maintenance, and repair work on the machines and equipment in the production area
- + Analysing and rectifying faults and malfunctions faults in the areas of mechanics, hydraulics and pneumatics
- + Documenting the work carried out and optimising the maintenance processes
- + Supervision of apprentices

### Your profile:

- + Successfully completed technical training
- + Sound knowledge of mechanics, hydraulics, pneumatics and electronics
- + High degree of commitment and flexibility
- + Willingness to work flexible hours as well as over time and on-call duty if required
- + Successfully completed instructor training course would be an advantage
