

FULL TIME / KÜRNBACH

## Quality Assurance Employee/ Measurement Technician (m/f/n)

DVS Production South GmbH is an internationally active manufacturing company based in Kürnbach, Baden. As part of the DVS TECHNOLOGY GROUP, we are one of the most competent providers of classic contract manufacturing in Germany. Our core competence is the machining of precision components for all industrial applications. Thanks to our innovative production, based on Industry 4.0, we manufacture, for example, truck wheel hubs highly efficiently and almost fully automatically.
